

Zoom through Underwriting with **TOP 15** and **TOP 25**

Now you can help your clients steer clear of a lengthy underwriting process and accelerate placement of a new term policy with the Transamerica Opportunity Program (TOP).

Everyone, from ages 18 to 60, may be eligible to obtain up to \$1 million of 15- or 25-year term coverage. Qualified applicants can accelerate through underwriting and avoid the hassle of a full medical exam—saving time and cost. And to top it all off, all TOP policies are fully commissionable, including policy fees.

See how TOP goes bumper to bumper with the competition.

15-Year Level Term*		25-Year Level Term*	
Transamerica	\$579	Transamerica	\$12,970
American General	\$656	American General	\$12,934
Banner	\$679	Banner	N/A
Genworth	\$595	Genworth	N/A
ING Reliastar	\$662	ING ReliaStar	\$12,958
West Coast Life	\$745	West Coast Life	N/A

To qualify for the TOP racing field, participants must:

- Be aged 18 to 60 (age nearest). Eligible issue ages in the Washington state for Trendsetter Super 25 are 18 to 55.
- Have been fully underwritten with blood work and issued a risk-class equivalent or better than Standard. Smoker risk classes are acceptable.
- Have a term policy issued within the past five years by Transamerica or one of our listed eligible carriers with a minimum face amount of \$100,000.

No more medical exams and faster placement of cases. Now that's a winning combination.

Don't get left off the podium. **Contact us today for more information.**

*Annual premiums listed above are based on male, age 60, preferred nonsmoker with face amount \$100,000 for 15-year level term and male, age 60, standard nonsmoker with face amount \$1,000,000 for 25-year level term.

This comparison is not a comprehensive analysis and does not account for possible advantages or disadvantages of the policies compared. Competitors' premiums have been obtained from publicly available sources and are believed to be accurate as of July 2010. Premiums quoted are subject to change without notice.

This is not a Guaranteed Issue program. Qualification for coverage depends on the answers to health questions set forth in the new application. Subject to underwriting approval. Underwriting includes Medical Information Bureau (MIB) screening, nonmedical, face page of previously issued term policy, and additional requirements which may be imposed based on information from MIB. Program is subject to withdrawal at any time without notice from the Company.

Trendsetter® Super 15 and Trendsetter® Super 25 are term life insurance policies issued by Transamerica Life Insurance Company, Cedar Rapids, IA 52499 (Policy Form # 1-305 11-107 and Policy Form #1-303 11-107), or Transamerica Financial Life Insurance Company, Harrison, NY 10528 (Policy Form # 3-305 11-109 and Policy Form #3-303 38-109.) **Premiums increase annually starting in year 16 for the 15-year policy and in year 26 for the 25-year policy.** Policy forms and numbers may vary, and these policies may not be available in all jurisdictions. Insurance eligibility and premiums are subject to underwriting.

This program, along with Transamerica's competitive premiums, makes it easier to provide your family with more coverage. Take a look at these sample monthly premiums:

Sample: Nonsmoker, \$500,000 death benefit²

	Age 40	Age 45	Age 50	Age 55	Age 60
Male	\$39	\$57	\$82	\$132	\$204
Female	\$32	\$45	\$65	\$93	\$141

For more information on how to take advantage of this opportunity, contact us today.

¹This is not a Guaranteed Issue program. Qualification for coverage depends on the answers to health questions set forth in the new application. Subject to underwriting approval. Underwriting includes Medical Information Bureau screening, nonmedical, data pages of previously issued term policy, and additional requirements which may be imposed. Program is subject to withdrawal at any time without notice from the Company.

²Sample premiums based on Male and Female Preferred Nonsmoker, \$500,000 death benefit coverage for Trendsetter[®] Super 15. Premiums quoted are subject to change without notice.

Premiums are lower if paid annually.

Trendsetter[®] Super 15 and Trendsetter[®] Super 25 are term life insurance policies issued by Transamerica Life Insurance Company, Cedar Rapids, IA 52499 (Policy Form Nos. 1-305 11-107 and 1-303 11-107), or Transamerica Financial Life Insurance Company, Harrison, NY 10528 (Policy Form Nos. 3-305 11-109 and 3-303 38-109.) **Premiums increase annually starting in year 16 for the 15-year policy and in year 26 for the 25-year policy.** Policy forms and numbers may vary, and these policies may not be available in all jurisdictions. Insurance eligibility and premiums are subject to underwriting. In most states, in the event of suicide during the first two policy years, death benefits are limited only to the return of premiums paid. In Missouri, suicide is no defense to payment of benefits unless the Company can show that the insured intended suicide at the time of application for coverage.

TOP 15 & TOP 25 PROGRAM DETAILS

TERM

The Transamerica Opportunity Program (TOP) from Transamerica Life Insurance Company and Transamerica Financial Life Insurance Company offers qualifying clients an easier way to increase or extend their existing term life coverage with a Trendsetter® Super 15 or Trendsetter® Super 25 policy with accelerated underwriting and no medical exams.

Under TOP, we will modify the initial underwriting requirements for qualifying individual Trendsetter Super 15 and Trendsetter Super 25 cases. The program is not guaranteed issue. Additional evidence of insurability will be requested if the Underwriter determines it's necessary.

TOP Program Rules and Guidelines

1. The products currently available that may be applied for are Trendsetter Super 15 or Trendsetter Super 25.
2. The previously issued term life policy being "topped"*:
 - Must have been fully underwritten, with blood work, to qualify. If it was issued without blood work/analysis, it is not eligible.
 - Must have been issued Preferred (including Preferred Plus or similar) or Standard (including Standard Plus or similar). Smoker classes are acceptable; however, Substandard rated policies are not eligible for the program.
 - Must have had a face amount of \$100,000 or more.
 - Must be from a specifically identified qualifying carrier, which includes Transamerica Life and Transamerica Financial Life.
 - Must have been issued within a five-year rolling period, which is defined as the duration of time between the policy date of the previously issued policy (as shown on the face page) and the date of the new Trendsetter Super application.
3. Qualifying issue ages (age nearest birthday): 18 to 60.
Qualifying issue ages in Washington State for Trendsetter Super 25: 18 to 55.
4. Face Amounts—Maximum amount of new coverage is dependent on the rolling period:

Period from Previous Policy Issue Date	Maximum Face Amount
One Year (Rolling Date)	\$1,000,000
Three Years (Rolling Date)	\$750,000
Five Years (Rolling Date)	\$500,000

Multiple policies adding up to the designated maximum face amount may be issued under the program; however, new coverage under the TOP program may never amount to more than \$1,000,000 in total per individual life per lifetime. Coverage maximums are limited to normal Company maximum retention.

5. Qualifying Risk Classes—Applicants may qualify for one of the following risk classes, based on the classification of their previously issued policy and Underwriter's approval: Preferred Nonsmoker, Standard Nonsmoker, Preferred Smoker, and Standard Smoker. Preferred Plus and Standard Plus classes are not available on new coverage under the program.
6. The program is not guaranteed issue. Additional evidence may be requested if the Underwriter determines it is necessary.

*Term/UL Hybrid products such as Genworth Life's Colony Term UL and West Coast Life's and Protective Life's Secure-T are also eligible for TOP.

7. Maximum Company retention on one life is not to exceed \$5 million. Applications that would require us to exceed our maximum retention will require full new business evidence.
8. The program is designed as additive coverage, not as replacement. It does not require any assignment or termination, nor does it alter the face amount and conversion option of the previously issued policy.
9. Normal Trendsetter Super product parameters and conditions apply.

Modified New Business Requirements

1. Application for Trendsetter policy form.
2. Authorization to Obtain Information (MIB).
3. Nonmedical.
4. Copy of the previously issued term policy face page, and any additional policy data pages required to show name of insured, date of issue, face amount, and risk class. If using a Transamerica policy, the policy number (noted in the remarks or cover letter) can be used instead of copied policy pages.
5. Any additional signed state-specific authorizations and disclosures required to transact new business.

Applications

The basic application is APA 40, or APA 40NY-207 for TFLIC. The non-medical report is MPN 1. The program does not require, nor does it have, a unique application. All of the new business supplemental forms and disclosures are still required.

Note: A note in the "Remarks" section of the application should indicate that the policy is being applied for under the TOP program. For Transamerica policies being "topped," the policy number should be included in the "Remarks" section.

Trendsetter® Super 15 and Trendsetter® Super 25 are term life insurance policies issued by Transamerica Life Insurance Company, Cedar Rapids, IA 52499 (Policy Form # 1-305 11-107 and Policy Form #1-303 11-107), or Transamerica Financial Life Insurance Company, Harrison, NY 10528 (Policy Form # 3-305 38-109 and

Policy Form #3-303 38-109.) **Premiums increase annually starting in year 16 for the 15-year policy and in year 26 for the 25-year policy.** Policy forms and numbers may vary, and these policies may not be available in all jurisdictions. Insurance eligibility and premiums are subject to underwriting.
